

**11th International Conference on Mobile and Ubiquitous Systems:
Computing, Networking and Services (MobiQuitous 2014)
[In-cooperation with ACM SIGAPP & SIGBED]**

**December 2-5 December 2014
London, UK
<http://mobiQuitous.org>**

Scope

The Eleventh Annual International Conference on Mobile and Ubiquitous Systems: Computing, Networking and Services (MobiQuitous 2014) will provide a forum for practitioners and researchers from diverse backgrounds to interact and exchange experiences about the design and implementation of mobile and ubiquitous systems. Areas addressed by the conference include systems, applications, social networks, middleware, networking, data management and services, all with special focus on mobility and ubiquitous computing.

Topics

We solicit technical papers describing original, previously unpublished research, not currently under review by another conference or journal. Submissions should clearly identify how they relate to issues on mobile and ubiquitous systems. Contributions describing an overall working system and reporting real world deployment experiences are particularly of interest.

Topics include, but are not limited to, the following:

- Wireless Access Technologies
- Networked Sensing, and Applications
- Mobile Device Architectures
- Mobile Systems and Applications
- Mobile Data Management and Analytics
- Mobile Multimedia
- Mobile User Interfaces and Interaction Technologies
- Mobile User Experience
- Toolkit, and Languages for Mobile Computing
- Energy Aware Mobile Computing
- Mobile Cloud Computing
- Semantic Web Technologies
- Localization and Tracking
- Internet of Things – Systems, Data Analytics, and Applications
- Crowdsourcing: - Platforms and Applications
- Participatory Sensing
- Social Network Applications to Mobile Computing
- Context and Location Aware Applications and Services
- Wearable Computing
- Body Area Networks

Security and Privacy

Publications

The international technical program committee will rigorously review all submitted papers and ACM Digital Library will publish the accepted papers. Submitted papers for review must not exceed 10 pages and should be in PDF and formatted in the ACM Double Column format. Detailed format and submission instructions including style templates for MS Word and LaTeX are provided at the conference website

Important dates

Submission Abstract Deadline: August 1, 2014

Submission Paper Deadline: August 8, 2014

Acceptance Notification: September 26, 2014

Camera-Ready Version: October 24th, 2014
